

B.V.V.Sangha's

BASAVESHWAR ARTS COLLEGE, BAGALKOT

Procedures and policies for maintaining and utilizing physical, academic and support facilities

Class rooms

Regular cleaning and maintenance is carried out so as to provide effective learning environment to the students. Ten class rooms are equipped with the LCD projectors. Class rooms are cleaned daily by the non-teaching staff of the college. Regular monitoring of electrical and fixtures is done and repaired immediately. Separate contract is given to an outside agency for maintenance of computers and LCD facility. Central time table is designed in such a way that there is maximum utilization of infrastructure and class rooms. Classes are conducted in two sessions, theory classes are conducted in the morning and practical classes are conducted in morning as well as in afternoon.

Library

Library is made fully automated. Computerized issuing and returning of books is done so as to save time. Book exhibitions are conducted in the library and books suggested by staff members are included in the library. Open access of books is given to students so as to have effective reference and exploring of new books related to subjects. Special reading room facility and computers are provided for access to e- content. Library staff conducts orientation and information literacy programs to educate patrons. New arrivals are exhibited on board and screens. Library is kept open in long vacations for the benefits of the students. Qualified staff is appointed in library to guide and help students. Separate computer is provided to student for book search. Social platform is used to notify about the current updates of library.

Computers

Maintenance and support are carried out by hardware and software engineer. Regular up gradation is carried out for computers and software. Computers are distributed in departments, office, and library and for administrative work as per the requirement and load of the work. Computers are connected through LAN and with high speed internet facility and provided with upgraded antivirus.

Sports facility

Regular maintenance is carried out for gymnasium, sports equipment and sport material from experts in the field. We have two large sports grounds to cater the needs of sports of the institution. Regular guidance and training is provided to the students in their respective sports fields. The physical director does regular monitoring of the sports activities in the institution. The institution also having its separate indoor stadium which provide ample opportunities in the areas like Shuttle Badminton, Carom, Table Tennis, Chess and others. Sri A.S. Kolar is a coach for chess and regularly trains the students in the field.

Laboratory

The departments like English, Computer Applications, Geography, Psychology and Hindustani Music are having separate laboratories for the practical purpose. The labs are updated and upgraded timely and they are taken a good care by the staff incharge. The same are used for the timely conduct of regular and practical examination.
