Aims and Objectives of Add on Course on 'Cyber Crime and Law'

CYBER CRIME AND LAW

Introduction :

Change is the law of nature, there is always tumult whenever change occurs, but changing with the changing standards, Skill & Talent is very much the need of the hour, especially after the introduction of information technology. The computer, Mobile & Internet related criminal activities are reported everyday in news paper and Media. They are called Cyber Crimes or Computer oriented Crimes. The knowledge and awareness about Cyber Crime and related laws are inevitable in the today's globalized era. Therefore, we have introduced the two months Certificate Course in "Cyber Crime and Laws" for our U.G. Students.

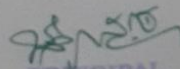

Aims and Objectives :

B.V.V. Sangha's, Basaveshwar Arts College is a prominent institution in the educationally backward North Karnataka. Most of our students are financially poor, educationally backward and Kannada medium background, Since the knowledge of computer education, Computer related Criminal activities is inevitable to face the present day Challenges and requirements for employment in software industries.

In order to create awareness and build competency among our students in Cyber Crimes and related laws, our college has decided to start two months Add-on course on Cyber Crime and law

Our U.G Students already study the Computer Application Subject as mandatory subject. This course certainly enrich the syllabus and creates awareness about Cyber Crimes and Computer related Criminal activities and Laws.
