

PROGRAMME OUTCOME

The programme empowers students to meet the educational goals at our Institution. The balance between technological and humanistic education aiming at the holistic growth of the students in broader sense.

The B.A. graduates can pursue B.Ed. course and opt teaching career in the schools. Also they can do Post Graduate Studies in their respective subjects studied in 'Under Graduate' level. After their Post-Graduation they may do M.Phil. or Ph.D. and take teaching as their career in higher education institutions like Degree colleges and Universities. Other Career options:- Journalism, Tourism, Judiciary (Law), Linguistics, etc. They are eligible to appear for any competitive exams conducted by Union Public Service Commission (UPSC), Karnataka Public Service Commission (KPSC), Indian Railway Board, etc for entering into the government services. They also pursue their studies in doing MBA, Post Graduate Diploma in Computer (PGDC), Certificate Courses of any discipline.

- To introduce students to the breadth, diversity, and creativity of human experience
- To develop students' ability to think critically and independently about the world
- To enhance students' ability to communicate effectively with others in a spirit of openness and cooperation
- To enrich students' understanding of themselves
- To encourage students to reflect on their responsibilities to others in local, national and global communities.
- To kindle in students a life-long interest in the Art & Humanities.

Programme Outcome can be classified into three broad categories:
