BA VI Sem. Project Work Report : 2021-22

On the topic "A Geographical Analysis of Iron ore distribution and production of Ramtala, Hiremagi and Aihole area of Hunagund Taluk of Bagalkote District" with students for project work on 02.06.2022 as per university syllabus for students of BA VI Semester in academic year 2021-22. Project work was under taken. In this project, the students and staff of the department of Geography participated and visited the iron ore area and collected information on primary and secondary data from the staff.

After inspecting the mining area there, they learnt about the process of production of iron ore and finally prepared a report.

Report on Project Work on "Impact of Mining on Environment"

Department of Sociology, was organized project /Field work on The "Impact of Mining on Environment" at Iron Ore Mine of Doddannavar Brothers. Ramthal-Hiremagi, Talluk-Hungund, Dist-Baglkote on 03rd June 2022.

We, the students of sociology and staff were visited mining field. The Chief Manager, Sri. Murthy and Sri, Prakash and other field Officers were demonstrated about entire process of extracting raw iron and making ready market saleable quantity and quality. They also explain machines which are using and their maintenance etc. In that Mine, about hundred employees are working with all necessary and precautionary measures in cordial environment.

Mr. Murthy, has narrated about maintenance of Greenery and plantation of trees are going on simultaneously. We also observed that there is like a forest around it. With the measures of Govt. Mining Authorities and public we can considerably reduce the adverse effects of mining on Nature in present and future. About 20 students of sociology were participated in this field work.
