Programme Report

B.V.V. Ingole's Basaveshwar Arts College Bagalkote NSS unit I and II conducted the Cyber Crime & Security programme held on 14th December 2023.

Chief guest of the program PSI and Cybercrime is a general term that describes a myriad of criminal activities carried out using computers, networks or other digital devices. Considerable cybercrime occurs on a daily basis over a wide range of illegal activities committed by cybercriminals. These include hacking, phishing, identity theft, ransomware, and malware attacks.

The principal of the college Prof. S.R. Magannavathi presided over the program by saying that the scope of cyber crime knows no physical boundaries. The perpetrators, victims and technological infrastructure span the globe. With the use of technology to exploit security vulnerabilities at the individual and enterprise level, cybercrime takes many forms and is constantly evolving. It tests the ability to effectively investigate, prosecute and prevent cyber crimes. It is an ongoing struggle with many dynamic challenges.

Teaching and non-teaching staff members and students and NSS volunteers were present in the function.

Programme Report

BVV Sangh's Basaveshwar Arts College Bagalkote N.S.S unit I and II celebrated the SWAMI VIVEKANAND JAYANTI on 17th January 2024.

Chief guest of the program Shri Padappa Deshpande said that Swami Vivekananda had not been born in India, it would have been impossible for the country to get independence. He was not just a monk wearing a shawl, but a firm that propelled the country's freedom struggle. After the failure of the First Freedom Struggle movement, Vivekananda was said to be the most important figure for India's economic independence.

The principal of the college Prof. S.M. Magawarath presided over the program by saying that, As the country occupies an important position in the world, it is necessary for us to adopt ourselves to the principles of wisdom. Vivekananda worked hard to effectively bring about harmony, nationalism, equality and independence. He said that those who adopt his shawl can attain a perfect personality.

Shri N.H. Vaidya program officer NSS unit I welcome and introduction. The program began with prayer by Ushas Dept. students. Dr. Vinayakali H.R. program officer NSS unit II delivered the vote of thanks. Shri S.H. Kante confirmed the program. Programme: Preservation of Historical Monuments*

Chief Guest of Programme Dr. Suresh Chandra Vaidya, Assistant Commissioner, Bagalkote said it is the duty of all of us to preserve the historical monuments that tell the ancient history. He said that after the monuments are the evidence of past events, their protection is necessary for future generation. The monument tells the story behind it. These buildings have a historical background. He said that Chhatrapati's Calligraphy and Tipu Sultan's are all monuments placed with real events. In the current situation the monuments have lost their original form. We Indians have gradually forgotten our culture, traditions, festivals and religions and social values.

President Dr. H. S. Chavhan said in the presidential speech that it is our responsibility to protect the monuments. Monuments tell our past history. Therefore protecting them should be our first priority.

Guest, Mahantur Vaidya welcomed and introduction. The program began with prayer by Vaidya, Karan, Lakshya Vaidya and the vote of thanks, Karan, Vaidya. It concluded the program.
